This unique work is especially needed in our times, when the noble Messenger of Islaam is being attacked and slandered in popular media. It serves as a reminder to the Muslim about the lofty status that Allah the Glorified and Exalted has given His Prophet (sallallaahu alayhi wa salaam). Amongst other issue, the author propounds his (sallallaahu alayhi wa salaam) noble character, excellent appearance, bravery, compassion and knowledge of Allah.
