

Rental Property Chosen

Bismillah Ar Rahman Ar Raheem was-salaatu was-salaam 'alaa Rasoolillaah

As salaamu alaikum wa rahmatullah

Alhamdulillah, the administration of Masjidul Bayaan is pleased to announce that a rental property has been chosen. InshaAllah, we believe that the community will find the new location to be very suiting to our needs. The pending new location was a former banquet hall and features:

- Amble room for men and women
- Central heating and cooling
- Income potential for the masjid (details to be announced at a later date)
- Adjacent parking lot
- Lower Rent then our current location

- Potential to own the property if it works out for us, inshaAllah tala

Anyone who has visited us at our location on Bond Street will know that these features will be greatly appreciated by our community. Formerly the building was cramped with poor temperature control. Parking was also a major issue as we were not allowed to use any of the parking lots on Bond Street. With the addition of income potential for the masjid the location chosen seems very ideal inshaAllah.

Upon finalizing plans and a rental contract more details will be forthcoming.

We are in need of funding for the rental deposit (\$3200), small renovations that need to be done the property to make it suit our needs (carpeting, etc), and the anticipated increase in our utility bill. Please help us make this move that will allow the masjid to continue to operate and inshaallah in a more stable fashion.
